The 2018 Midterm Elections: What's Ahead for the Consumer Financial Services Industry

The 2018 midterm elections are now behind us, with Democrats winning control of the House of Representatives and Republicans retaining control of the Senate. In addition, Democrats made substantial gains at the gubernatorial level. In this webinar, members of Ballard Spahr's Consumer Financial Services Group and policy analyst Isaac Boltansky of Compass Point Research & Trading will look at how the results of these elections might impact the consumer financial services industry.

Topics

- Implications for federal and state legislative initiatives
 - Implications for the CFPB, FTC, and federal banking regulators
 - Implications for state attorneys general and state financial services regulators
