ESMA Extends Its Register of Derivatives to be Traded On-Venue Under MiFIR

Friday, March 22, 2019

On March 21, the European Securities and Markets Authority (ESMA) updated its public register of derivative contracts that are subject to the trading obligation under the Markets in Financial Instruments Regulation (MiFIR).

ESMA's update follows the authorization, on the same date, of additional trading venues where the classes of derivatives subject to the trading obligation are available for trading. The recently authorized trading venues are located in France and the Netherlands.

ESMA's public register is available [here](#).
