Here are the most recent health care related regulatory developments as published in the New Jersey Register in March 2019:

- On March 4, 2019, at 51 N.J.R. 363(b), the Higher Education Student Assistance Authority adopted rules regarding partial tuition reimbursement for medical students that pursue a residency in psychiatry and agree to practice full-time as a psychiatrist in an underserved area in New Jersey and/or in a State psychiatric hospital for a period of one to four years in return for the tuition reimbursement provided under the reimbursement program. The participant may not be simultaneously participating in either the Primary Care Practitioner Loan Redemption Program, or in the Federally administered National Health Service Corps Loan Repayment Program. The rule citation is N.J.A.C. 9A:10-3.

- On March 18, 2019, at 51 N.J.R. 409(a), the Department of Community Affairs, Office of the Commissioner, readopted the rules related to the DCA regarding government records. The rules were readopted without amendment. The rule citation is N.J.A.C. 5:3.
