

## DOE Announces Concept Papers' Deadline For Funding Opportunity

---

Friday, May 17, 2019

On May 15, 2019, DOE EERE's BETO announced the deadline for concept paper submissions for a \$79 million funding opportunity for bioenergy research and development (R&D): **June 3, 2019**. This funding opportunity includes biopower, biofuels, and bioproducts, aiming to reduce the price of drop-in biofuels, lower the cost of biopower, and enable high-value products from waste or biomass resources. The opportunity includes ten topic areas:

- Cultivation Intensification Processes for Algae
- Biomass Component Variability and Feedstock Conversion Interface
- Efficient Wood Heaters
- Systems Research of Hydrocarbon Biofuel Technologies
- Optimization of Biomass-Derived Jet Fuel Blends
- Renewable Energy from Urban and Suburban Wastes
- Advanced Bioprocessing and Agile BioFoundry
- Plastics in the Circular Carbon Economy
- Rethinking Anaerobic Digestion
- Reducing Water, Energy, and Emissions in Bioenergy

For further details, see the [EERE Exchange website](#).
