Webinar | Understanding the Recently Released Guidance on Hospital Co-Location Arrangements

The Centers for Medicare and Medicaid Services has issued long-awaited draft guidance addressing the use of shared space, staff and services by hospitals and other enrolled providers. Join [McDermott Will & Emery](#) and [McDermott+Consulting](#) for our upcoming webinar, where we'll provide perspectives to help stakeholders understand the draft guidance, its potential application to many common co-location concerns and opportunities to submit comments on the draft guidance. This webinar is an expansion of McDermott's recent [On The Subject](#) article on this topic.
