Coronavirus - Workplace Management Considerations for Employers

Please join Nelson Mullins attorneys Mitch Boyarsky, Ann Murray, Robert Sheridan, and Roy Wyman for a webinar covering the implications that coronavirus has on employment, employee benefits, and data privacy in the workplace. Specific topics to include:

• Employee safety and health in the workplace
• Leave management
• Disability accommodation
• Remote work arrangements
• Wage and hour implications for remote work
• Group medical plan administration
• Qualified retirement plans
• HIPAA and other data privacy considerations for the workplace
