What do you need to do for your patent application to qualify for this program?

- You must qualify for small or micro-entity status (as defined by 37 CFR § 1.27 and 35 U.S.C. § 123)
- The claims of your application must cover a product or process that is related to COVID-19
- The claims of your application must cover a product or process that is subject to FDA approval for use in the prevention and/or treatment of COVID-19
- Act quickly before the limit of 500 applications is reached
