What Do Clients Want From Their Insurance Coverage Attorneys? The Policyholder Coverage Attorney's Perspective

Thursday, October 31, 2013

Insurance Policyholder Chair [Jill B. Berkeley](#) recently presented a paper at the ABA Women in Insurance Conference on October 15, 2013, as part of the panel "What Do Clients Want From Their Coverage Lawyers?" In the paper, Jill spells out her perspective on what exactly clients seek in their counsel. Today it extends well beyond publication rankings and a long, polished list of credentials.
