Impact of Tax Reform on Private Equity Funds

On December 22, 2017, the “Tax Cuts and Jobs Act” (Pub. L. No. 115-97) was signed into law - marking the most significant overhaul to U.S. tax policy in decades. Please join us for a thoughtful and informative CLE webinar on the “Impact of Tax Reform on Private Equity Funds.” In our hour-long presentation, we will break down this recent legislation and explore a range of issues most relevant to PE funds, including:

- Individual and corporate tax rates
- Pass through income deductions
- Carried interest
- Miscellaneous itemized deductions
- Interest deductability
- ...and much more - including Q&A

There is no cost to join this webinar but pre-registration is required.
